Dear Mukesh,

It has been a while since I heard anything from you. I hope this letter finds you in the best of your health and spirits.

I think recently you have also faced the troubles of lockdown caused by corona virus in our society .This lockdown continued for a long time. In the beginning I was confused what to do, but soon I learnt how to utilize my time . I attended online classes and used materials provided in all subjects by our teachers. I was also helped and guided by my papa and mummy at studies. In the evening I played ball etc. on the roof of my house with my brother. Thus I used this lockdown in a proper way, rather enjoyed it.

Hope to see you soon.

Yours lovingly,

X Y Z
